

# Declaration of Lisbon

24th May 2023

**DATEX II and TN-ITS have identified a strategic need and a joint objective to align and harmonize the two standards, in order to support current and future European road and traffic management services in a coherent way.**

Therefore DATEX II and TN-ITS declare that they will, in the context of NAPCORE, together :

- develop and deploy the merging of the two technical standards
- setup a sustainable governance of the resulting standard
- facilitate user adoption to support relevant EU policies
- support stakeholder-engagement communities
