

NAPCORE (Milestone-)Report Fact Sheet

Decision-support document for the Steering Committee

(Milestone-)Report:	<i>MH1.10 Final report Report on strategic exchange, cooperation and collaboration with externals and relevant stakeholders</i>				
Developed by:	<i>H.1</i>				
Intention of report / context to other reports:	The intention is to report on work done regarding strategic exchange, cooperation or collaboration with externals and to inform on future plans.				
Summary of the report (incl. main outcome):	This document reports on the work regarding strategic exchange and external cooperation. A recap of all Advisory Board meetings is included. In addition, the Cooperation Agreements that have been added since the last report are explained as well as the implementation status of all Cooperation Agreements. Additionally, the plans for the second funding phase of NAPCORE are explained. For further information on the set up of the Advisory Board and meetings in 2022 as well as the Cooperation Agreements with Cycling Industries Europe (CIE), the European Parking Association (EPA) and the C-Roads platform please have a look at the Mid-term report MH1.6.				
Recommendation(s) to the EC:	N/A				
Estimated EU Policy relevance:	☐ none	☒ Low/ unlikely	☐ Medium/ possible	☐ High/ likely	☐ very high/ quite certain
Strategic implications:	Cooperation Agreements strengthen the interaction in the ITS ecosystem on operational level and support deeper discussions on specific focal topics. In addition, the NAPCORE Advisory Board gives non-binding strategic advice to the project.				
Policy implications:	N/A				
Technical implications:	N/A				
Parties' concerns related to the recommendation(s):	None				
Internal review feedback:	<i>Improvement of wording and addition of abbreviations as well as some minor remarks on content</i>				
Question for SCOM (Please formulate a question for this SCOM decision point vote):	<i>Do you accept the final report on strategic exchange, cooperation and collaboration with externals and relevant stakeholders fulfilling MH1.10?</i>
